## **ADD A TONNEAU TO YOUR EXISTING TOOLBOX**

A great solution for truck owners who already own a toolbox. Pick one of five great styles: Solid Fold, Trifecta, Express, FullTilt, and Classic Platinum. The toolbox tonneaus fit most standard toolbox sizes. Extang engineered L-Channel is an adjustable sealing system that easily bridges the toolbox-to-tonneau gap for a perfect fit. The Classic Platinum can be custom cut for most non-standard sizes.
