M/T METAL JEEP JK BUMPERS

**OVER 30
CONFIGURATION
OPTIONS**

FRONT DETAILS

- Made in the USA
- 3 bumper end options: flush end, stubby, and full length
- 2 guard options: low & "stinger" style (end cap required)
- Durable 2 stage black powder coat finish
- Welded 3/4" D-ring mounts
- Stubby & full length bumper ends have integrated rock light ports
- Accepts most winches, including Warn® Zeon
- Low winch mounting maximizes radiator air flow
- Lightweight, modular construction can easily be re-configured for different looks
- Easy to install

REAR DETAILS

- Made in the USA
- Durable 2 stage black powder coat finish
- Welded 3/4" D-ring mounts
- Bumper has integrated rock light ports
- Optional tire carrier swings with tailgate for one-handed operation
- Tire carrier has positive lockout for opening on angled surfaces
- Industry leading heavy-duty frame attachment points
