

Innovative Creations Inc. Announces New Product and Display

ICI's Light Locks Display (DP-LL10) is now shipping. Each display comes with three of each of the following part numbers: 20M830-B, 201420-N, 20M6-N, 20M10-N and 2051618-N. Light Locks are the lighting theft solution for all driving/off-road lighting. The theft resistant bolts are compatible with all major brand name lights. The asymmetrical shaped nuts and bolts cannot be removed by common tools, but only with ICI's exclusive encrypted keyed driver bits. Call 1-800-626-8746 for pricing.
