

-JEEP- 7" ROUND LED HEADLIGHT

7" LED HEADLIGHT

ITEM #: XIL-7RDKIT
PART #: 9891224

The Vortex 7" LED Headlight With Halo Ring
8,420 Lumens Combined Lumens

The DOT Approved 7" LED Headlight from Vision X Lighting features three different beam modes; High, Low, and the LED Halo daytime-running light. With multiple plugs and accessories available, the 7" Round LED Headlight is the perfect option for anyone looking to drastically increase their lighting on the road. 33-watts of powerful LEDs tucked inside a durable polycarbonate lens make this headlight a force to be reckoned with.

- Polycarbonate Sealed Lens
- High / Low / Halo Beams
- Wiring & Plugs Included
- Bright LED Halo Ring
- 4,210 Lumens Each
- DOT Approved
