

WeatherTech® VS. OEM

* Silverado/Sierra Front Liner also fits the Suburban/Tahoe/Yukon/Yukon XL

LESS COVERAGE!

WeatherTech®

Advantage 446071 – 2016 Chevrolet Silverado

- Larger coverage area, including under the gas pedal
- Patented thermoform technology that is rigid and durable
- Features lower reservoir area that holds & contains liquid, dirt and debris
- Easy to remove and clean out any dirt or liquids
- Expansive applications for other truck, SUV, car and van applications
- Other accessories available for models beyond just FloorLiners™
- Greater profit from WeatherTech® products, no OE MAP
- Rear is a one-piece design

Disadvantage

- Cut out on driver side for gas pedal that allows dirt and liquids to reach the floor
- Open retention snaps allows liquids to seep through
- Second row is a two piece, snap together design that is prone to leaking
- Aesthetically displeasing warning molded into surface of mat

Rear FloorLiner™

WeatherTech®

Custom-fit FloorLiners™ that protect the front, back and even up the sides
