

GP SERIES PORTABLE GENERATORS

GP SERIES: 1800-17500 WATTS

Generac's GP Series of portable generators offers affordable reliability and options for home use, camping, job site or outdoor events. Power the fun stuff or cover an emergency. Hardened steel-tube cradle provides durability while the never-flat wheels allow for easy portability. The wide range of sizes gives you the flexibility to choose as much power as you need.

GP1800-7500 FEATURES:

- **Covered Outlets** protected by circuit breakers
- **Low-Oil Shutdown** protects engine life
- **Low-Tone Muffler** provides quiet operation
- **Fuel Gauge** incorporated for added convenience
- **CSA and CARB Emissions** models available soon

GP15000-17500 FEATURES:

Two of the most powerful generators on the market provide exceptional value. Additional features include:

- **16-Gallon Fuel Tank** for extended run times
- **Idle Control** increases fuel efficiency
- **Wheel Kit and Lifting Eye** included

JOBSITE • OUTDOOR EVENTS • HOME USE • CAMPING
