SHOCK & STEERING STABILIZER ARMOR Features & Benefits

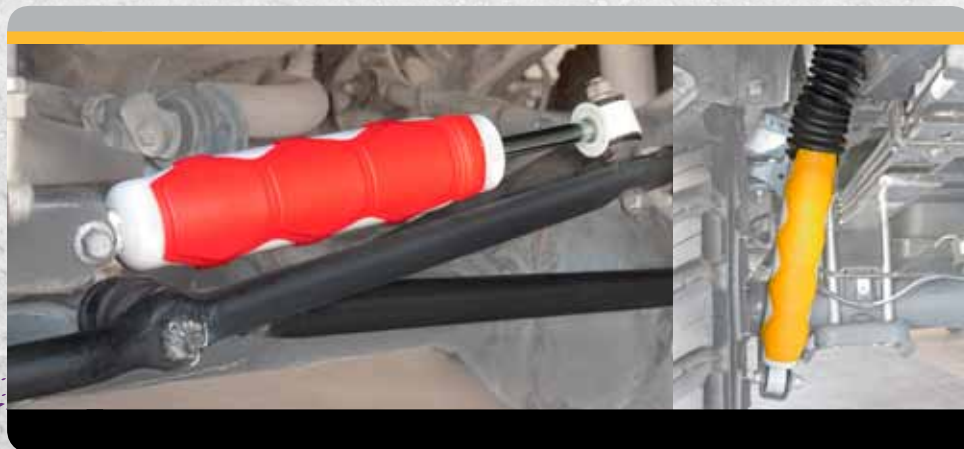

- Ultimate protection for Shocks & Steering Stabilizers
- Lightweight design
- Available in Black, Red, Blue, Yellow & Clear
- Unique attachment allows quick installation and removal
- Can be trimmed to fit
- Made in the USA

Daystar's Shock & Steering Stabilizer Armor offers tough, long-lasting protection for most Shocks & Steering Stabilizers. Constructed of durable thermoplastic Polyurethane, Shock & Steering Stabilizer Armor prevents pitting and dents while adding a custom look to your vehicle. The unique reusable attachment method allows easy installation and removal for cleaning or maintenance.
