- Includes light sensitivity meter to dim screen as ambient light decreases
- Internet Updateable (Attitude only)
- Maintenance Manager™ App
- Hot Unlock Codes available to unlock additional performance (additional fee and waiver required)

GAUGES*

The Attitude CS or CTS monitor is a comprehensive gauge package that stays mounted in the cab of the truck and displays up to eight from dozens of available parameters at a time. Monitor vital engine data, such as engine coolant temperature, transmission fluid temperature, engine oil temperature, and RPM, to name a few. The Juice with Attitude also ships with an EGT probe to read and monitor Exhaust Gas Temperature.

- Switch between US or Metric units of measure

EXPANDABLE (items sold separately)

- Compatible with optional Edge Accessory System (EAS) sensors to allow users to connect multiple, additional accessories

SAFETY FEATURES

- Automatic Defueling to Prevent Excessive EGT, Boost and Transmission Slip
- Turbo Timer - allows turbo to cool before truck shuts off
- Cold Engine Protection (no extra fuel is added until the engine is warm)
- User-Adjustable Audible Alert Settings

IMPROVED DRIVEABILITY FEATURES

- Low-Boost Fueling Adjustment
- Axle Ratio Adjustment*

PERFORMANCE TESTING, ALERTS & RECORDS

Performs and records 0-60 and quarter-mile times; quarter-mile MPH; peak engine temperature, RPM, speed and transmission temperature values. Sounds audible alerts when user-defined values are reached and automatically records the highest value of key parameters.

BACK-UP CAMERA (sold separately)

The Attitude CTS features a built-in video port that allows users to connect the state-of-the-art Edge back-up camera, or other compatible video source directly to the CTS unit.

MYSTYLE™ SOFTWARE (included)

MyStyle™ software that allows users to choose from a variety of Edge custom backgrounds or simply upload an image of your choice. Size, crop and save to your CS or CTS unit for the ultimate in customizability.

Monitors vehicle vitals by displaying up to 8 different parameters at a time

Perform 0-60 and quarter-mile performance tests as well as engine diagnostic scans

CTS is back-up camera ready and engages camera on screen when vehicle is in reverse
