2012 Jeep Wrangler 3.6L Pentastar

AIRAID® Filter Company has developed an exciting new intake system for the 2012 Wrangler with the 3.6L Pentastar. AIRAID's new system features a one piece sealed cold air box which is designed to isolate engine heat away from the filter, full-length intake tube and an Airaid high flow filter available with either SynthaFlow® composite or our SynthaMax® Non-Oiled filtration technology.

Like the rest of AIRAID's product line, the new MXP Intake System is Made in the USA and backed by our "No Hassle" warranty! Update your database today!
