

Industrial Grade Universal Fit Headache Rack

The new industrial grade 2" square tube steel rack features a universal base rack that fits virtually all full size trucks. 3 interchangeable screens can be added to customize the truck. **4 SKUs cover virtually all full size truck applications!**

- Quick and Easy Installation Requires no cutting and limited assembly
- Universal Truck Fit ensures precise fit on virtually all full-size trucks
- High-Gloss Powder Coat provides a durable rust resistant finish
- Stake Pocket or Drill Through Mounting Options
- Toolbox Platform Base rack mounting plates provide sturdy level mounting surface for standard depth toolboxes
- UPS Acceptable
- Guaranteed for Life

Interchangeable Screens Screens easily assemble to your base rack with just 4 bolts, choose Hi-Vis, Mesh or Louvered, or use just the base as a stand alone one bar rack.

Hi-Vis Screen

4 horizontal steel bands with 2" steel vertical support maximize line-of-site while maintaining cab protection.

Mesh Screen 2" square mesh is welded at every seam to provide the ultimate heavy duty protection.

Louvered Screen Solid steel louvers with tri-vertical support offers serious protection from the sun as well as shifting loads.

Circular Light Bracket 7¹/₂" circular platform mounts to pre-set bracket ports on driver, center, or passenger side.

Rectangular Light Bracket 9½" x 17" platform mounts to pre-set bracket ports in the center of the load bar.

DoubleStack[™] Ladder Stop Multi-position fully adjustable ladder stop.

Combo Load Stop / Tie Down Oversized lashing loop for wide strapping and ease of tie down.
