WARRANTY

NOTE: IN ORDER TO OBTAIN WARRANTY COVERAGE YOUR PRODUCTS MUST BE REGISTERED This warranty is not transferable and it supersedes all previous warranties

Polished Stainless Steel Products

Romik® warrants its products to be free from defects in materials and workmanship. This is a limited lifetime warranty for all polished stainless products. Romik® Runningboard top plates, step pads and end caps are warranted for one year to be free from defects in materials and workmanship. This warranty covers the cost of the product only; it does **Not** cover the cost of removal, installation or shipping. This warranty is void if the product shows any signs of misuse, alteration; mishandling, neglect, improper care, improper installation or application. This warranty only applies to new products installed on the original vehicle. This warranty provides a one-time replacement on workmanship if all the above conditions are met. Warranty cannot be determined until returned products are inspected by the Romik® Returns department. Romik® reserves the right to repair, and or replace defective products. **SPECIAL NOTE:** If you live in an area where salt or other harsh chemicals for snow and ice removal are used, you must keep your Romik® bars clean. . If you allow salt or these chemicals to stick to your Runningboards or Max Bars, this may cause premature damage to the Runningboard top plates and can possibly void your warranty. You must protect the finish with nonabrasive automotive wax on a regular basis. Do not use compounds or harsh chemicals on your Romik® products.

Black Powder coated

Romik® warrants its products to be free from defects in materials and workmanship. This is a 3 year warranty for all Black powder coated products. Romik® Runningboard top plate, step pads and end caps are warranted for one year to be free from defects in materials and workmanship. This warranty covers the cost of the product only; it does **Not** cover the cost of removal, installation or shipping. This warranty is void if the product shows any signs of misuse, alteration; mishandling, neglect, improper care, improper installation or application. This warranty only applies to new products installed on the original vehicle. This warranty provides a one-time replacement on workmanship if all the above conditions are met. Warranty cannot be determined until returned products are inspected by the Romik® Returns department. Romik® reserves the right to repair, and or replace defective products. **SPECIAL NOTE:** If you live in an area where salt or other harsh chemicals for snow and ice removal are used, you must keep your Romik® bars clean. . If you allow salt or these chemicals to stick to your Runningboards or Max Bars, this may cause premature damage to the Runningboard top plates and can possibly void your warranty. You must protect the finish with nonabrasive automotive wax on a regular basis. Do not use compounds or harsh chemicals on your Romik® products.

RAL / RAL-T / RB2 / RB2-T Runningboards

Romik® warrants its products to be free from defects in materials and workmanship, RAL / RAL-T / RB2 / RB2-T Runningboards carries a Limited-Lifetime warranty on materials and workmanship. Finish (silver or black) and plastic endcaps are warranted for 1 year from the date of purchase. This warranty covers the cost of the product only; it does **Not** cover the cost of removal, installation or shipping. Romik® reserves the right to repair, and or replace defective products.

RCV Commercial Runningboards

Romik® warrants its products to be free from defects in materials and workmanship, RCV Commercial Runningboards carries a 1 year warranty on materials and workmanship from the date of purchase. This warranty covers the cost of the product only; it does **Not** cover the cost of removal, installation or shipping. This warranty is subject to inspection by a Romik tech and follows the guidelines of the Romik warranty. Romik® reserves the right to repair, and or replace defective products.

Mounting Brackets

Romik® mounting brackets are warranted for one year to be free from defects in materials and workmanship. Due to the location and purpose, powder coating is not warranted since brackets are subject to road hazards such as gravel and or other debris.

How to maintain your products

Romik® products should be thoroughly cleaned with mild soap and water, than completely dried with a clean nonabrasive cloth. Stainless Steel products should be periodically cleaned and polished with a quality polish. Powder coated surfaces should be thoroughly washed to remove all contaminants or road residue. **NOTE FAILURE TO MAINTAIN YOUR PRODUCTS AS RECOMENDED MAY CAUSE PREMATURE FADING, CORROSION AND POSSIBLY VOID YOUR PRODUCT WARRANTY**

Special note about Commercial Vehicles: Due to the hardship and environment that commercial vehicles are subjected to, Romik will warrant its products against rust for One (1) year from date of purchase. This warranty does not include rust due to damages, abuse, chemical spills, and any other damage cause by hazardous environment such as construction zones or chemicals. This warranty is subject to inspection by a Romik tech and follows the guidelines of the Romik warranty.
